Gloria,

See Mr. Grisham's request below and my draft letter to Mr. Norton. Let me know if this is ok or needs edits. I left off mention that the ICs are currently being redone - I don't think there's a need to complicate things for the general public.

Thanks,
Casey

Subject: Arkwood: request for simple letter

Hi Casey,

The below-named gentleman, Mr. Norton, is interested in the Arkwood site, as he had been informed that it is available for industrial redevelopment, with conditions.

Mr. Norton requested a letter from EPA confirming that I do have your approval to actively seek BFPPs for the Arkwood site. (Mr. Norton would not be the BFPP, but is the agency director who might be publicizing the Arkwood site's availability.)

Could you please write him such a letter and copy me? I would like to use it in the future to show anyone else who may have this question. (Sorry I don't have his email address.)

Thank you,

Curt
